*Sunday, November 4th: The Theme – "KISS"*

When trying to explain the importance of being good stewards of God's gifts to us, sometimes we get involved in an in depth discussion of all the many factors surrounding the stewardship concept. It gets confusing, and the true message sometimes gets lost. Perhaps we could learn from this story of how a philosophy student utilized the KISS principle to ace an exam.

It was final exam time in a philosophy class. The professor explained to the class that their whole grade would come from a one-question exam. He then walked over and picked up a chair and plopped it on top of his desk, and wrote on the board, "Using everything we have learned this semester, prove to me that this chair doesn't exist."

The students, with furrowed brows and determination, began to write furiously. However, one student finished in under a minute, turned in his paper and left the class room.

When the grades were posted, his was the only A. His classmates were confused and asked to see his exam paper. On it he had written, "What chair?"

Good stewardship of God's blessings is the commitment to love and serve the Lord. Isn't that simple? We do what we should to provide the resources – human and financial – to do God's work.

Completing a pledge card is the best, simplest and most practical way to financially support St. Stephen's. It assists the vestry to properly plan and budget for 2019. If you haven't pledged before, please consider completing a pledge card this year.

Pledge cards have been placed in your personal boxes. Those who do not have a personal box may pick one up in the narthex.

We are so "blest by the tie that binds our hearts in Christian love" here at St. Stephen's. We are a family church that "shares our mutual woes, our mutual burdens bear; and often for each other flows the sympathizing tear"

... because we care – that is part of St. Stephen's DNA.

We have been given challenges and blessings over the past several months. We, as stewards of these blessings, have a special opportunity to grow God's house and sustain it for the future. Let's not let Him down.

Keeping it simple: Please prayerfully consider how you will return God's blessings to Him to assist St. Stephen's to continue to share the grace of God and love of Jesus with each other, our families, friends and others in our community.

## **Verse of the Week - Hebrews 12:1**

Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles, and let us run with perseverance the race marked for us.

Thank you so much for all the Blessing Bag donations. The youth Group will be assembling bags on Sunday evening to take out and distribute over the next few weeks.

Do you hate to wrap Christmas presents? The youth Group will be wrapping gifts for donations starting on November 25th.

If you have any Christmas gift wrap you would like to get rid of they will be able to put it to good use.

### The deadline for Beach Weekend has been extended until early 2019

If you haven't had the chance to register, pay a deposit, or are still thinking about going at all, the pressure is off! Any RSVPs or money would be gratefully accepted, but the resort won't need final numbers for several more weeks after all. Hope to see you all there!

If you are new to St. Stephen's please look for the lovely green envelopes, located in a grey cloth basket in each worship area. These envelopes contain the information forms we use in the office. When you have completed the forms you can just put them in the collection plate. If you have any questions please call the office@646-6115.

*Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."*
