WHERE BROKEN LIVES
FIND HOPE

Talbot House.

The ladies who prepare and serve the Talbot House clients wanted to thank you for all of the contributions of Brownies last month, the 200 residents that were served were grateful.

However, the need is great and if you are able, they will need you to continue making Brownies. If you are able, please bring brownies to the kitchen next Sunday or no later than noon 6/10/25.

Pictorial Directory

St. Stephen's is going to produce an "inhouse" pictorial directory this year so that we will all know each other by sight and name. We are fortunate to have a professional portrait photographer in our congregation, Jim Heal, and Karen Beasley has agreed to head the project up. Karen will need a lot of help with scheduling other duties, so let us know if you can help. This should starting soon.

Spam, Malware, Phishing

Are you tired of attempts to get your information or money by bad actors? Tired of Spam or concerned about possible phishing schemes? We have an offer for you! Jonathon Robertson has offered to hold a training and informative question and answer period to hopefully make you feel more knowledgeable concerning your online risks. The first session was held on Wednesday 4/9/25 at 6pm, in the Worship Center. We have decided to offer an updated version on a Saturday morning in June. Let the office know if you would like to attend so that we can insure that the space is available with VBS staging. Please take advantage of this timely help.

Pictures Please

The 50th Anniversary committee of St. Stephen's Church is up and running and has already had a few meetings. In order to help put together a presentation of St. Stephen's through the years, they are asking that each of us look through our photos and see if there are any, with dates, that we could use. If you have some, either move them to a flash drive or bring them into the office and I can scan them for you.
